Deep Hex Willowleaf Spinner Blades and Trolling Spoons

Exclusive Deep Hex Pattern Produced by Lakeland

Lakeland Deep Hex pattern is now available in Trolling Spoons and Willowleaf Spinner Blades. This unique pattern creates a brilliant flash for added fish attraction. Deep Hex trolling spoons are available in sizes 3¼", 3⅞", 4¾". Willowleaf spinner blades in the deep hex pattern are available in sizes 4, 4½, 5, 6. Lakeland's leading edge premium plate finishes of bright nickel, copper, 24 karat gold, black/nickel, genuine silver, nickel/gold and chrome are easily complimented with our paint finishes. A deep hex glow finish features a deep hex pattern blade or spoon, extended glow-in-the-dark base finish, and holographic film. This finish combination creates a highly reflective lure that can attract fish in various types of water or lighting conditions. The Deep Hex can easily enhance your response in providing new innovative fishing tackle alternatives.
