Lakeland Spinner Blades are Enhanced with Quick Change Clevises

Lakeland's Quick Change Clevises Are Now Available In Two Additional Fish Attracting Colors: Red & Chartreuse

Color Alternatives to Enhance In-Line Spinners

- **Mini Troll Clevises:** designed for spinner blades up to size 4 for casting or trolling applications, available in white, chartreuse and red colors
- **Trolling Clevises:** standard size clevises for medium size spinner blades, available in white, chartreuse and red colors
- **Casting Clevises:** designed for large blades for trolling or casting, available in white and black colors
- **Sinker Weight Clevises:** designed for all brass eye sinkers, wire form sinkers, or wire eye bottom bouncer, available in black only

Quick change clevises are the best choice in clevises when you need to change blades for size, color or shape. These clevises allow for quick blade and sinker changes without retying your harness. The quick change clevis will not fray or nick your line.

Lakeland customers expect the best service in the industry and we exceed their expectations with continued innovation and service. Be sure to contact Lakeland to meet your fishing tackle component needs.
